

I SEE A CHURCH VISION 8 NEW INITIATIVES

1. Launch the largest care initiative in the history of New Life. We are empowering 100 deacons to care for:
 - Widows/elderly people
 - Orphans/fatherless children
 - Hurting families and marriages
 - New Lifers in moments of crisis
 - First responders all over our communities
2. Launch a movement that challenges men to step up and leave a godly legacy (first gathering on June 8th).
3. Create a culture that encourages everyone to develop a life of prayer and personal devotion to Scripture (i.e. SOAP Journal).
4. Complete 316 serve projects in our community in the next 30 days (March 16 - April 16).
5. Identify and empower 100 emerging leaders.
6. Expand the Kingdom Impact of New Life by adding a new campus in Kent and Bellevue. By 2020, New Life will be “One Church, Five Campuses.”
7. Pay off mortgage by 2025.
8. Launch a new ministry called *Kingdom Builders*: people who are committed to use their finances to build the Kingdom of God in the Pacific Northwest and the world.
